4. Application strategy (Embassy Track — pick up to 3)

Embassy Track rule: choose up to THREE universities in order of preference, and at least ONE must be a Type B university. JBNU (Type B) satisfies that requirement while staying a strong national-flagship business school.

Pick	University	Type	Why
1st	Korea University	Type A	Top business school (Korea's best business brand)
2nd	Hankuk Univ of Foreign Studies	Type A	International business focus
3rd	JBNU (전북대)	Type B	National flagship · business + trade · safer acceptance

5. Documents to prepare (no TOPIK → essays matter)

#	Document	Required
1	GKS-U application form	Yes
2	Personal statement (self-introduction)	Yes
3	Study plan	Yes
4	High school transcript + graduation (or expected)	Yes
5	Recommendation letter(s)	Yes
6	Proof of citizenship (passport)	Yes
7	TOPIK / English score	Optional — omitted OK; essays reviewed instead
8	Awards / certificates	Optional — strengthen profile

With no language score, the personal statement and study plan carry extra weight — highlight why JBNU business, your career plan, and Korean-study commitment.
