

Why Choose Osan University?

1. Global Campus

Students from 20 countries are studying at Osan University, creating a friendly and multicultural campus.

2. Certified University for International Education

Osan University is certified by IEQAS (Education Internationalization Quality Assurance System). International students can work more part-time hours and benefit from visa extensions without the need for financial documentation.

3. Government Scholarship Programs (GKS, E-7-M, RISE)

Osan University operates various Global Korea Scholarship (GKS-U & GKS-UIC) programs. Selected students receive full tuition waivers and a monthly living stipend of approximately \$900. Additional scholarships are also available for international students.

4. Employment & Visa Support in Korea

Graduates in engineering, hotels, business, and other specialized fields may apply for E-7 series work visas (E-7-1, E-7-2, and E-7-M). Osan University actively assists students with job placement and local settlement support in Korea.

5. Student Support Programs

International students can participate in Korean language classes, cultural experiences, company visits, career seminars, and overseas language training programs (e.g., New Zealand, Japan).
