Dongnam Health	Admission fee waived + tuition 20~40% + English +10%	TOPIK hybrid
Woosong Info College	Language merit → 50% tuition; talent 1M KRW	TOPIK + merit

4. Advisor Query — New Search Capabilities

New filter:

--scholarship_min N — filter/sort schools by minimum scholarship discount %. Sorts results by descending scholarship % instead of rank.

Expanded major keywords:

data, computer, business, game, engineering, english, global, hospitality, food, cosmetic, pharmacy, nursing, bio, design, media, ai

New output badges:

TOPIK6 verified: actual scholarship tier from original graduate guide PDF

Best scholarship: up to X% — automatic best-tier extraction

Example Queries

- BA schools with 100% scholarship

```
python advisor_query.py --level ba --scholarship_min 100 --top 5
```

- Master's food majors with 80%+ scholarship

```
python advisor_query.py --level ma --major food --scholarship_min 80 --top 5
```

- Junior cosmetic schools (TOPIK 2+)

```
python advisor_query.py --level junior --major cosmetic --top 8
```

- Master's TOPIK-6 full tuition

```
python advisor_query.py --level ma --scholarship_min 100 --top 10
```

- Cheapest nursing junior (≤\$2,000/sem)

```
python advisor_query.py --level junior --major nursing --max_tuition 2800000 --top 5
```

5. Remaining Data Gaps

- Junior tuition: 38/126 schools still missing (tuition field empty in KB)
- Junior application periods: 0/126 — no official junior degree admission PDFs in local storage
- MA tuition: 25/83 still missing (SKKU, Kyung Hee partial, plus smaller schools without parseable tables in their PDFs)
- MA majors noise: cleaned (필드 파싱 잔재 제거) but some concatenated names remain (e.g. '음악대학조형예술대학...')
- No 2027 graduate guides for most schools — expected to publish Oct~Nov 2026
